RISK

Widespread
severe storms
expected

- Timing was adjusted earlier (particularly the end time in western areas)
- Storm motion is NE at 40-50 mph.

Severe Thunderstorms Today

THREATS & CONFIDENCE

POTENTIAL THREATS

CONFIDENCE

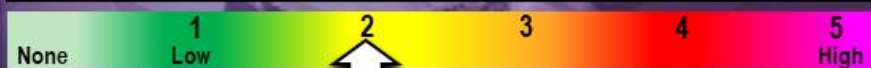

Scattered Damaging Wind Gusts (to 50-64 mph)

Widespread Damaging Wind Gusts (to 65+mph)

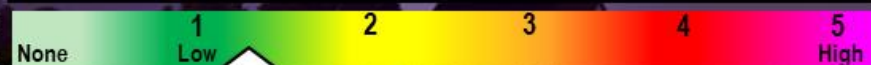

Hail (Quarter sized or larger)

Tornadoes

Flooding (Localized; mainly low lying, flood prone areas)

HIGH

- High confidence in the threat of damaging winds of 50-64 mph
- Medium confidence in threat of damaging wind gusts of 70 mph or greater (East of 69).
- Isolated tornadoes possible

- The threat of damaging winds was raised slightly and focused on areas east of I-69.

Severe Thunderstorms Today

POTENTIAL IMPACTS

DAMAGING WIND GUSTS TO 64 MPH

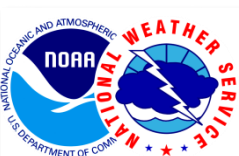

Small to medium sized trees may fall or be uprooted, medium to large limbs may break, and weak structures like sheds may be damaged

DAMAGING WIND GUSTS TO 65+ MPH

Widespread tree, powerline, and structural damage is possible. Large trees may be downed or uprooted, and flying debris could be dangerous to those not in a sturdy shelter.

- This event has the potential to produce widespread tree and power line damage, mainly east of I-69.

Severe Thunderstorm Safety

- Prepare now for severe storms/tornadoes by identifying your best available shelter. If a public shelter is your only viable option, determine if your local shelter is open. When taking refuge, protect yourself and others from COVID-19 by staying at least 6 feet from other people when possible and wearing a cloth face covering.
- Although there is no completely safe place during a #tornado, some locations are much safer than others. Find out what to do where you are: <http://bit.ly/2UIELHI>
- If thunderstorms are in your area, turn on your radio or TV to get the latest emergency information from local authorities. More ways to prepare for #SevereWeather here: <http://bit.ly/2l8ftfR>
- [Gather safety items](#) before a possible tornado, including a first aid kit and instructions, fire extinguisher, battery-powered radio, flashlights, extra batteries, and sleeping bags or extra blankets.

- **Here are some weather safety messages you can share.**
